

## Objetivo: Yo puedo describir cinco obras de arte en español.

**Due:** Monday, December 16<sup>th</sup>

- You are going to describe five works of art in Spanish. You can do this on the field trip to the DIA, or if you are not on the field trip you can look up works of art online.
- For each painting, sculpture, or other piece of art, make sure you write down the title and the artist.
- Describe it in Spanish using the adjectives you know, how it makes you feel, what is in the painting, and what your opinion is. (Use the “Describir el Arte” paper as a guide.)
- **Extra Credit:** On the field trip, take pictures of the works of art you are describing. You can submit them to Señora Kennedy via Edmodo, email (45.skennedy3@nhamail.com) or my class twitter (@kennedyspanish)

- 1.0 – I wrote a few things in Spanish but did not finish, or just copied someone else’s paper.
- 0.5 – I wrote mostly or all in English.
